President's Corner

Hi everybody:

THE NEXT MEETING WILL BE AUGUST 14TH

Well the old hot sun is taking its toll on metal detecting. We do not have any activities this month. Lorrie has cooled up an activity for this month. We will be having an ICE CREAM PARTY. YOU NEED TO BRING SOME TYPE OF TOPPING FOR ICE CREAM.

THERE ARE SOME RULES IN THE NEWSLETTER YOU NEED TO READ ALSO THERE ARE THE DUTIES OF THE PRESIDENT AND THE TREASURER. You should read this before we have nominations in NOVEMBER. If you are going to nominate some one make sure they are in agreement. After nominations then we will have the elections in December.

We have a good activities calendar for the rest of the year. The dates are almost right except for the overnights. These sites need to be checked out and then you will get the right dates. We will not disclose the locations of some of our hunts but the type of hunts are what are posted. The activities will be posted in this newsletter. We will probably have a different one to replace this one so keep checking the newsletter.

We saw Don Hurtig and he seems to be doing well. God bless you Don and we wish you the best of recovery.

Keep checking out our web page. Jerry Hitson is doing a great job of putting it together. A lot of the shoot out pictures will be there.

Club web site: www.thecfmdc.com

Lorrie Sprigg is doing a super job as our new activity director and if you have any ideas she would appreciate it very much. She has some great ideas for next year. Lets all think of some thing we can do to help.

I am not buying any more silver as of now. I have enough for the rest of the year and silver is getting higher. **CLUB DUES ARE DUE.** If you have not paid them then that is why you are not reading this newsletter.

You need to check with Bill Shackelford for the Challengers Program. It is a very good way to get you started hunting for good items.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are considering a different shelter for our food items. We will let you know. We are still having new members every month. And if you see someone that looks new, speak to them and make them feel welcome.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger. President Ray Leist

Secretary's Report - Chuck Hosbein

The July meeting of the Central Florida Metal Detecting Club was called to order at 7:45 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

The joke of the month was about two young boys who go into a drug store to pick up a box of tampons. The 4 year old wanted to swim and ride.

We had a few guests at the meeting for July. They were recognized by the club and received gold dollars. We had no new members join the club in July.

Secretary's and Treasurer's reports were read and accepted.

We had no July birthdays at the meeting. A few of our club members were celebrating anniversaries during July. They were recognized and received silver quarters from the club.

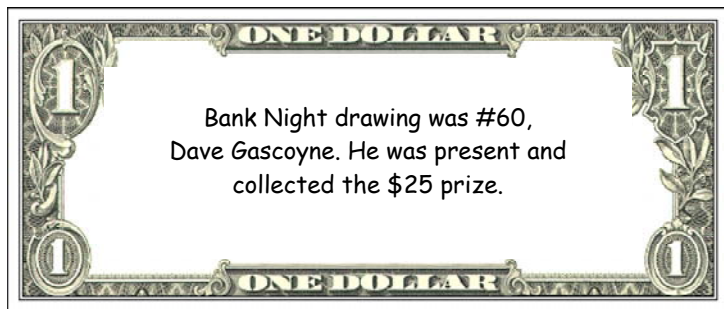

Lorrie presented Paul Swaney a "Fun Meter" of metal detecting sayings. She also noted that we will have an ice cream social at the August meeting. A list was passed

around for suggestions. Lorrie also told a story of finding her first "keeper" diamond ring. It was appraised at \$5400.

Ray presented an award to *George Case* for finding and returning a toe ring.

Betty Shackelford thanked everyone for their cards, calls and prayers. She is doing better.

The meeting was adjourned at 9:00.

If flying is so safe, why do they call the airport the terminal?

If con is the opposite of pro, is Congress the opposite of progress?

Why the sun lightens our hair, but darkens our skin?

Why women can't put on mascara with their mouth closed?

Why don't you ever see the headline "Psychic Wins Lottery"?

Why is the time of day with the slowest traffic called rush hour?

REMEMBER
