By the looks of it maybe we should have it again to help us cool down in this hot weather. Just a reminder . . . for our upcoming "Club Fund Raiser" in August. Remember the **meeting is August the 6th!**

Secretary's Report - Debbie Green

CFMDC Meeting Notes

The July meeting of the Central Florida Metal Detecting Club was called order at 7:32 p.m. by club president Alan James. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Secretary report - Read, voted upon and accepted.

Treasurer report - Read, voted upon and accepted.

Recognition - Six attending guests and new members were acknowledged and introduced. Member birthdays and anniversaries were recognized and honorees received gold dollars.

Alan James - Special awards recognition. Bill Green received a certificate for reaching his goal of finding 100,000 pennies.

Alan James - Announced that the 1st Annual Ray Leist Night Hunt will be sustained during the month of June of each year. The night hunt was open to comments from the floor: positive comments were voiced, remembrance of Ray was a nice touch, silver coin prizes were appreciated, fireworks were enjoyable, and club would like to continue the night hunt yearly in honor of Ray.

Lorrie Sprigg - Upcoming Events: The next meeting will be on August 6th. Bring a guest and receive a special raffle ticket for a prize drawing. The August meeting will be a "Garage Sale" fund raiser. Bring in four items to be sold to raise prize funds for October hunt. The goal is for all items to be sold. If there are any items left at the end of the meeting, it is asked that the members not leave them in the meeting room.

David Gray - Whites will send a representative to speak to club members about company products. The representative from Leesburg is willing to come to the Orlando area and have a Whites workshop. The suggestion was put forward that a workshop could be held before the club hunts. The board will discuss a workshop model, and any possible fees involved in a workshop presentation.

Kellyco - Wanda presented an overview of Whites models on display at the meeting, provided brochures and written materials. She had books and scoops for sale, and metal detector prices available for those who wanted

to discuss equipment with her during the break. Kellyco can also provide workshops to the club, and she offered her contact information if the club would like to set up a workshop for any of the detectors they sell.

Alan James - A thank you letter from the Wilsons, appreciative home owners, was read to the club members. Jerry Hitson and Roland Davis hunted a residential yard for lost personal property.

George Case - For our guests and new members, the club drawings for Name Badge Number, Half & Half and Silver Coins were described.

Break - Vote on finds of the month and enjoy the "Ice Cream Social" refreshments organized by Lorrie Sprigg. Thanks to Bea Case for helping set up the break festivities and special thanks to Roland Davis for sponsoring the ice cream for the event.

Kellyco - Wanda ended the meeting with a raffle drawing of scoops, hats, metal detecting aprons and magnifying glasses for the club. Thanks Wanda!!!

Meeting closed by the president at 9:07 p.m.
