2020 is coming to an end, and what a heck of a year it has been. With the current pandemic going on in the world, it has been a very stressful time. Know that if any club member needs any assistance in this trying time, that we are here to help. Please reach out to me directly so that I can see what we can do to help.

As you know, it is time for our Christmas party. At this time, I am sad to say that it has to be postponed due to the increase in the Covid-19 cases. I know this is not what many of you want to hear but we have to consider the safety of our members. With that being said, when things return to normal or a little more normal, our first meeting back, we will have a huge party with all the fixings!

We also have a delay in changing officers since we have not been able to have a formal meeting and have nominations. The first meeting that we are able to have, we hold nominations and have the elections the following meeting. I cannot give a date as to when this will be, but I will keep everyone updated as soon as we can hold a meeting again.

We only had two months of finds this year because we have not held a meeting since February. Because of this, we will not be awarding hunter of the year or finds of the year for 2020.

As stated in the last email, any club dues that were paid for 2020 will roll over for the 2021 membership. If you paid to attend the Sunshine Silver and Relic Hunt, that has also been rolled over to the next date. If you want a refund, please reach out to me and I will get that hunt fee reimbursed. Orange County has not allowed us to make a reservation for Moss Park for 2021 for the Sunshine Silver and Relic Hunt. We are working on another location but have not had this confirmed. As soon as we can lock down a date and location, we will let everyone know.

Hopefully 2021 will roll in and we will be able to start getting things back to normal soon. I want to get everyone together again as soon as we can. Please everyone be safe out there, have a very Happy Holiday Season. Do not hesitate to reach out to me if you need anything at all!

See you soon!
