President's Corner

At the upcoming meeting in February, we will be selecting the winners for the "FIND OF THE YEAR". These awards will be voted on during the meeting and the winners will be identified toward the end of the meeting. Make sure you collect all of the 1st place winners you had during 2010 and bring them in to compete for the grand prize titles. We will be selecting a "Find of the Year" winner in each category. (coin single & coin group, jewelry single & jewelry group, artifact single & artifact group, and misc single & misc group).

In addition to the Find of the Year awards, we will also be voting on the monthly finds table as usual so bring in your current finds too.

Also during this meeting, we will award the prizes for "HUNTER OF THE YEAR" so make sure you come early and plan to stay a little extra because we have a lot to get done in one meeting.

The awards given out at the end of the year as well as the awards given out each month reflect the admiration of your fellow club members and the acknowledgment that what you put on the table is worthy of a place of honor. If you are fortunate enough to take home any of these prizes, enjoy the moment – you earned it! For those who did not win any of the yearly prizes, remember, all you may have to do is swing YOUR COIL over the next target to claim a spot at the winner circle.

I want to take a moment to thank everyone in the club for your continued involvement and participation. Without all of the membership support, the Central Florida Metal Detecting Club would likely not attract new members & guests. Last month we had a record 10 first time visitors which I think indicates we are doing something right as a club. Continued focus on new members as well as increased activity for current members is something of which we can all be proud.

See you at the next meeting.

Alan

Secretary's Report - Debbie Green

CFMDC Meeting Notes

The January 2011 meeting of the Central Florida Metal Detecting Club was called order at 7:30 p.m. by club president Alan James. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Secretary report - read and accepted.

Treasurer report - read and accepted.

Reminder, it is time for the club dues to be paid during the first quarter of the calendar year, between January 1st and March 31st: \$25/member dues, \$15/single or \$20/family 1st time signup.

Birthdays and anniversaries recognized.

Guests - Ten guests were welcomed asked to introduce themselves.

New Members - Two new members have joined the club, Janice James and Stephen Welch.

Alan James - Old business from the floor:

- Cruise update - David Gray
The September 3, 2010 reservation deadline passed without enough deposits received, and the deposit is currently \$250. For a double occupancy ocean view room the fee is currently \$1,514. If there is a tropical storm the ship will adjust its route. The port parking fee is payable by credit card or cash only. If you have an overnight stay the evening before, there are three hotels near the port that will transport you to the port for boarding and you will receive free parking for your vehicle while you are on the cruise.
- December meeting - Alan James
It is suggested that we delay the December monthly finds until January to shorten the meeting time. The December meeting has run long each year, and delaying the finds will increase the time allotted to the December party.
