Come Join Us!

We will be eating at the **Colorado's Steak Place**. It is just north of the meeting place. Park at the meeting building and walk over. We eat at 5:30. If you would like to join us, we would be happy to see you. BYOM!

PRESIDENT'S CORNER

Starting another month of 2007. Seems it goes by quickly. We missed the bad storms that came through Feb. 2nd. Lots of destruction and several deaths but by the grace, we did not have any at our place. You fellows don't forget the 14th or you will have a bad week. Hope you had a chance to do some metal detecting. I don't know what the beach is doing. Was going to go over Friday but a little wet. They are still coming up with silver on the beach. I go over and can't seem to be at the right place. Many of you know that Deyton Peyton had a heart attack while they were vacationing down in the Bahamas'. He came back to the U.S. and had a stent put in. He seems to be doing O.K.

I hope everyone is doing well and I will see you at the meeting. **THANKS TO ALL OF YOU FOR A SUCCESSFUL CLUB YEAR.**

If any of you want to sell your silver coins, I am paying 5 times face value. I know you can get more but this will be used for the clubs purpose.

We need to remember our members who are having health problems. If you know of any one, let me know. Thanks.

If we have not seen your smiling face for a while, we have missed you. Come to the meeting and bring a stranger.

Ray Leist, President

REMINDER: The club due's are \$25 for the year and a one-time membership fee of \$15. If you are paying by check please make it out to **Lonna** Leist, not to the club. You have until March to get your dues paid.

REMINDER: If you have something for sale, let me know and I will put it in the newsletter.

SECRETARIES REPORT

The December meeting of the Central Florida Metal Detecting Club was called to order at 7:30 by the club president Ray Leist. Bill Shackelford opened the meeting by leading the club in the Pledge of Allegiance. Our joke of the month was about a blond who heard that taking a milk bath makes you young. She needed 25 gals of milk but did not need it pasteurized (past your eyes).

We had several guests at the meeting for January. They were recognized and received silver quarters from the club.

Club members celebrating birthdays and anniversaries during January were recognized and received silver quarters for the club. We had two new members join the club. They are Billy Collins and Erich Anderson. Welcome new members.

Secretary's and Treasurer's reports were read and accepted.

There were several awards presented at the meeting. Ray presented awards and plaques to the "Hunter's of the Year". The winner's are Bill Green (1st place), Alan James (2nd place) and Roland Davis (3rd place). Bill Shackelford presented an award to Jim Robinson for completing level 2 of the challenge program. Ray presented an award to Chuck Hosbein for finding and returning a gold bracelet that was lost by a lady while gardening.

Bill Shackelford is looking for ideas for a club display. If you have any ideas, see Bill.

Mitch King from the Treasure Coast Club in Sebastian was at our meeting. He discussed their upcoming annual hunt to be held on March 10th. They will be giving away 5 reales at the hunt along with lots of other prizes. the cost of the hunt is \$65. If paid before March 1st - the cost will be \$55. Lunch will be included in the price of the hunt. Lunch for others attending is \$5.

Doug Melvin noted that there will be a Civil War reenactment going on.

Bill Green noted that he will be donating all of his penny finds from 2006 to the club (TOTAL OF 18,400). Anyone want to roll pennies???? HELP.

Ray noted that he would like to split the "Hunter of the Year" for both men and women. There was a favorable vote to do so. He also noted that he would have a key hunt on the beach at New Smyrna Beach. (See: Events on home page) He will let the members know when he gets a date.

Bank night drawing was \$54 - Ted Crakes. He was not present and the prize next month will be \$30.

The meeting adjourned at 9pm.

THE MAN WHO DIGS PENNIES

Most hunters set their metal detectors for gold but Bill Green is a man who digs pennies. Since January 1st, 2006 he has found 14,258 pennies in the sands of the Sunshine State. Most of the Central Florida Metal Detecting Club members shake their heads and ask him how many diggers, jeans, and knee pads he has worn out. Bill said, "I set a goal last year (2005) to find 10,000 pennies and missed it by 18, so this year with determination, I tried again and found a total coinage of \$1,289. On my best day I found 511 pennies in Ormond Beach". "I have always enjoyed treasure hunting". In 1968 Bill bought a second hand metal detector in Denver, Colorado. He claims that most of his finds were bottle tops and pieces of iron and after moving to Florida in 1971, he acquired a Garrett metal detector from Kellyco. His last five machines have been Whites machines.

During the 1970's park rangers allowed him to detect and he found a few silver coins over the years. Now Bill spends most of his time in city parks, school grounds and old home sites. He has found jewelry, old coins, foreign coins and pounds of odds and end pieces.

Bill worked in law enforcement for over 40 years and metal detecting was always a great hobby for him. "It is quiet outside in the fresh air. When you start out, you hope for a diamond ring but you never know what you will wind up with at the end of the day.

Five years ago Bill heard about the Central Florida Metal Detecting Club, just about the time he retired. The club is a great place to meet people who have the same interests that you have. Some people like to hunt on the beach, in the lakes, at the parks, schools, recreation areas and anywhere you can get permission.

Bill says "Digging pennies won't make you rich but with patience and determination, he knows that diamond ring is just waiting for him to find".

Bill has donated 18,400 pennies to the Central Florida Metal Detecting Club.

GOOD JOB

Tid-Bits

Why does a round pizza come in a square box?

What disease did a cured ham have?

Why do doctors leave the room while you change?
They are going to see you naked anyway.

Does the Alphabet song and Twinkle, Twinkle Little Star have the same tune?

Did you just try singing the 2 songs above?

Internet Tip For The Month

Always cover your holes even on the beaches, so people that are walking or jogging don't twist their ankle, because they rarely look where they're going! Always take the trash you dig up with you. A lot of times we get home and go through our trash, and discover things we thought was junk and it wasn't.
