The Monthly Newsletter of The Central Florida Metal Detecting Club

January (WELCOME TO) 2017

From The President's Desk By Alan James

I want to wish a Happy New Year to the Central Florida Metal Detecting Club and to all of our friends and families. It is amazing to me that we are at the beginning of another year already. This year promises to be another busy one with lots of activity and hopefully lots of fun!

Please take a minute to remember that some of our friends have been through a rough year and some continue with challenges. We pray for the best for everyone.

The January meeting is the big event! Last year thousands of finds were placed on the tables for all of us to view. Each of these finds represented the fantastic effort and skill of the hunter during the weeks prior to display. There are so many great finds each month but only a few are voted as "First Place Winners" for their respective categories.

Congratulations to all of the winners but also congratulations to everyone who entered during the year. The items placed on the finds tables represent a big part of what we do as detectorists and each of you should be proud. The finds tables continue to draw the attention of people from all walks of life. Keep up the good work!

This month please bring back your "1st place" monthly winners and compete for find of the year. Also bring in your monthly finds for January.

At the December meeting club elections were held and a slate of officers has been selected. I want to personally thank each of you for your willingness to help out again this year.

I also want to personally thank Lorrie Sprigg and Debbie Green for many years of service to the CFMDC as volunteers. They have each always given way more than they got credit for. Many thanks to both of you! New additions to the CFMDC board include Carolyn Harwick as club Secretary and Joanne Jolin as Activity Director. We look forward to working with them in the upcoming year.

On January 21 we will have a club hunt at Wilson's Landing Park. The hunt will start at 9:00 AM and is open to all. We will complete details at the meeting.

In February, we will hold the annual CFMDC appreciation hunt. To participate as a hunter at this event, you must be a member in good standing so get your dues in ASAP.

I'll see you at the next meeting.

Alan
