President's Corner

Hi everybody:

THE NEXT MEETING WILL BE JULY 17.

Well the old hot sun is taking its toll on metal detecting. We had a good scavenger hunt at Sun Splash Park and Lorrie did a great job of putting it on. She even gave away several \$1 bills to those that had certain items.

We have a good activities calendar for the rest of the year. The dates are almost right except for the overnights. These sites need to be checked out and then you will get the right dates. We will not disclose the locations of some of our hunts but the type of hunts are what are posted. The activities will be posted in this newsletter. We will probably have a different one to replace this one so keep checking the newsletter.

I had my last treatment as of (6/25). The tumor has been shrunk. Don't know much but looks like it is almost gone, thank the Lord. I will know more in about 8 weeks then I will take 2 shots of chemo as a preventative. Thank you for your concerns and prayers.

We learned at the hunt that Betty Shackelford had a stroke and was in Sanford hospital. She has since regained most of her motor skills and seems to be getting better each day. She got to come home today 7/1. Our prayers are with you Betty and we all love you. I know she would like to hear from you. Her phone number is 407-323-2954 email is wasbet@juno.com.

I saw Don Hurtig and he seems to be doing well. God bless you Don and we wish you the best of recovery.

Keep checking out our web page. Jerry Hitson is doing a great job of putting it together. A lot of the shoot out pictures will be there. Lorrie Sprigg is doing a super job as our new activity director and if you have any ideas she would appreciate it very much. She has some great ideas for next year. Lets all think of some thing we can do to help.

I am not buying any more silver as of now. I have enough for the rest of the year and silver is getting higher. **CLUB DUES ARE DUE.** If you have not paid them then that is why you are not reading this newsletter.

You need to check with Bill Shackelford for the Challengers Program. It is a very good way to get you started hunting for good items.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

We are considering a different shelter for our food items. We will let you know.

We are still having new members every month. And if you see someone that looks new, speak to them and make them feel welcome.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger.

Secretary's Report - Chuck Hosbein

The June meeting of the Central Florida Metal Detecting Club was called to order at 7:35 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Shackelford.

The joke of the month was about an old pirate who goes into his favorite bar and tells the bartender about losing various body parts.

We had a few guests at the meeting for June and they were recognized by the club. We also had one new member join the club in June. Our new member is Marlene Smith.

Several of our club members were celebrating birthdays and anniversaries during June. They were recognized and received silver quarters from the club.

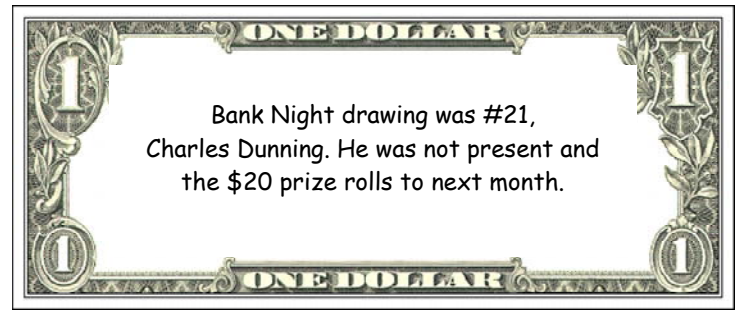

Ray reminded everyone that there is a scheduling conflict in July and that our July meeting will be held one week later than usual. Ray also noted that he was able to start eating solid foods again and that he only has a few more treatments to go.

Lorrie noted that the club will be having a beach hunt on June 20th. She asked everyone to meet at Sun Splash Park in Daytona at 9:30 in the morning. She will let everyone know the rules of the hunt when they get to the park. Lorrie also noted that she is working on a new club directory. She had a sample at the meeting. She asked everyone to verify their information to make sure it was correct.

Bill Shackelford gave an award to Ralph Flippo for completing level 2 of the Challenge Hunt.

Our overnight hunt that was scheduled for later in the year is still being worked on.

The meeting was adjourned at 8:30.

The reason a dog has so many friends is that he wags his tail instead of his tongue.

Anybody who doesn't know what soap tastes like never washed a dog.

My dog is worried about the economy because Alpo is up to \$3.00 a can. That's almost \$21.00 in dog money.

A note from Lorrie.

We had a great turn-out for the scavenger beach hunt. There were a lot of rings recovered during the hunt in the surrounding area. Chuck, Bill Green, Diana, George and Jerry Hitson were the ring finders. The temperature reached 100 degrees, but walking in the water help cool everyone down. Prizes were awarded to Bill Robinson and Diana Swaney for finding planted keys. The ring prize went to Diana Swaney. I hope you all had a good time!

There will be an "Ice Cream Social" for the month of August. We will cool down with Ice cream and cake, which will be furnished. Volunteers needed to bring the toppings. Such as whipped cream, cherries, chocolate sauce, nuts and sprinkles. Whatever you like on your ice-cream, bring it!

BOUNCE TIPS

Golfers put a Bounce sheet in their back pocket to keep the bees away.

Put a Bounce sheet in your sleeping bag and tent before folding and storing them. It will keep them smelling fresh.

Eliminate odors in wastebaskets. Place a sheet of Bounce at the bottom of the wastebasket.

To freshen the air in your car - Place a sheet of Bounce under the front seat.

To freshen the air in your home - Place an individual sheet of Bounce in a drawer or hang in the closet.

It takes the odor out of books and photo albums that don't get opened too often.

Repels mosquitoes. Tie a sheet of Bounce through a belt loop when outdoors during mosquito season.

Eliminates static electricity from your television (or computer) screen. Since Bounce is designed to help eliminate static cling, wipe your television screen with a used sheet of Bounce to keep dust from resettling.
