President's Corner

Hi everybody:

We are having some great weather for detecting. It won't be long before the old hot sun comes out and then we will have to find some shade.

We met over at Lorrie's house for our site committee meeting and came out with a good activities calendar for the rest of the year. The dates are almost right except for the overnights. These sites need to be checked out and then you will get the right dates. We will not disclose the locations of some of our hunts but the type of hunts are what are posted. The activities will be posted in this newsletter.

I had a bad tooth and had it extracted. While the surgeon was in there he sent off a biopsy and it came back that I had cancer. I will undergo some kind of treatment but they won't know what until I get a pet scan. This will be on Tuesday 5/5 and then the doctor will let me know. If no more lymphoma is found in my body then they will only treat the infected area with radiation. If not I will have to undergo chemo. I ask for you to think of me Tuesday as I go through this diagnosis.

I saw Don Hurtig at the D&F meeting and he is doing as well as can be expected. God bless you Don and we wish you the best of recovery.

Keep checking out our web page. Jerry Hitson is doing a great job of putting it together. A lot of the shoot out pics will be there.

Lorrie Sprigg is doing a super job as our new activity director and if you have any ideas she would appreciate it very much. She has some great ideas for next year. Lets all think of some thing we can do to help.

If anyone wants to sell their silver to the club. I AM PAYING 10 TIMES FACE. CLUB DUES ARE DUE. If you have not paid them then that is why you are not reading this newsletter.

You need to check with Bill Shackelford for the Challengers Program. It is a very good way to get you started hunting for good items.

We have more members that are qualifying for the Hall of Fame. If you find an item and return it to its owner you will have your picture taken and be entered into the Hall of Fame.

Bring in an item or two for the Sanford shelter. PLEASE bring in a couple of items and if everyone does this every month this will help the shelter very much. They need stuff bad. HELP THEM OUT.

We are still having new members every month. And if you see someone that looks new, speak to them and make them feel welcome.

If we have not seen your smiling face for awhile, we have missed you, then come to the meeting and bring a stranger.

President Ray Leist

Secretary's Report - Chuck Hosbein

The April meeting of the Central Florida Metal Detecting Club was called to order at 7:30 by club president Ray Leist. The meeting was opened with the Pledge of Allegiance led by Bill Green.

Ray forgot his joke for this month but Rich Kordeleski had one. Rich's joke was about a 1st grader asking about the meaning of Easter.

We had a few guests at the meeting for April and they were recognized by the club. We had one new member join the club in April. Our new member is John Ayers.

We had several of our club members with birthdays and anniversaries during April. They were recognized and received silver quarters from the club.

Lorrie asked those members that were not at the March meeting to get an information sheet from her and fill it out. She is updating the contact information for club members. Lorrie also noted that there will be a vote taken during the break for the egg decorating and bonnet contests.

Ray thanked Lorrie for doing a great job with the Easter decorations. He also noted that there will be a meeting of the site committee at Lorrie's house on April 26th at 1:00 PM.

Ray discussed overnight hunts for the benefit of the new members that had not been to one. He asked about the cost of the hunts and whether there was a point where the cost was too much. He has some places in mind and will have more information later.

Ray received three correct responses to the newsletter quiz. Each winner received a silver dime.

Bill Shackelford gave Ralph Flippo an award for completing level 1 of the Challenge Hunt. He also gave Dabney Small an award for completing level 3.

Ray gave both Shirley DeVary and Paul Swaney awards for finding and returning class rings.

Lorrie presented prizes for both the Easter egg decorating contest and the Easter Bonnet contest. For the Easter Bonnet, Shirley DeVary took 1st place. In the Easter egg contest, Ray Brown took 1st place. There were also several runners up prizes in both contests.

The meeting was adjourned at 8:50.

*The next
meeting will be
May 8th
Don't forget!*
