The Monthly Newsletter of The Central Florida Metal Detecting Club

September 2013

Scott D. Jackson, Editor & Chief Bottle Washer (afab67@hotmail.com)

## From The President's Corner...

On August 20<sup>th</sup>, approximately 30 members of the Central Florida Metal Detecting Club were joined by a delegation of members from the TCAS club and attended the City Council meeting in Kissimmee, Florida. At this meeting, each member was recognized for participating in the recent search which uncovered a critical piece of evidence used in the murder of David Guerrero. The Chief of Police and the Council members used the first part of their meeting to thank all of us for a job well done.

This effort on the part of our club members is another example of the type of thing that helps to make me proud to say I am a member of the CFMDC and the metal detecting community.

September 21<sup>st</sup> will be the date for the next night hunt at Sun Splash Park. The address for the park is: 611 S. Atlantic Ave. Daytona Beach. This hunt will begin at sunset. We will meet at 8:00 PM. The cost to participate in this hunt will be \$5.00/hunter. Please remember to bring water to drink. As always, no lights will be permitted on the hunt field. Pulse machines are not permitted as they interfere with most other detectors. If you don't know if your machine is a pulse machine, please ask

at the meeting. Night hunts are lots of fun so plan on attending.

In August, we held another Appreciation Hunt for members only. It was well attended and everyone seemed to enjoy the food.

One of the hunts required members to pair up into two person teams. One team member's job was to dig each target.... The other team member balanced a cup of water on top of the detecting coil as it was moved slowly over the field in search of a prize. Spilling the water caused a rush to re-fill and begin again. This little cup of water really served to equalize everyone on the field. It was at least fun to watch!!

Thanks to everyone that brought in food or helped in any way.

The next meeting will be held on Friday 13<sup>th</sup> and everyone should come prepared! Come prepared to have some fun & spend some money at the annual Fall Auction. At the auction, donated items will be sold to the highest bidder. Items that you intend to donate should be things that are in decent condition – no junk please! One dollar bills are always helpful.

It is **likely that this meeting will run a little long** because of the auction so if you need a "permission slip" to stay out late you'd better start writing now.

I'll see you at the next meeting. - Alan

The Daytona Dig & Find Metal Detecting Club will hold its Annual Open Night Competition Hunt on Saturday, August 24, 2013. The fee is \$25 per person. The hunt will be at Sun Splash Beach Park in Daytona Beach. I have flyers with me this evening if you are interested. Registration begins at 5:30 pm. The warm-up runway hunt will be at 6:30 and the main hunt begins at 8:30. I can answer any of your questions and you can register with me tonight. All of the information is on our website DIGandFIND.com. All of the registration fees will go toward the purchase of prizes. Pizza, water and cookies will be provided. The main hunt will have prize tokens, miscellaneous items, and will be randomized, so come prepared to set your machines for everything.

## Lorrie Sprigg

September is the club auction meeting. Bring all of your good garage sale items to be auctioned off, and please do not bring any junk items. All proceeds will be used to support our October meeting themed event. It is a fun auction, so please contribute and purchase items to help fund our Fall party.

## Break for voting and refreshments

## Alan James

The Kissimmee Police Department would like to recognize the club during an upcoming city meeting for the club's help with a recent evidence search. We would like as many to attend as possible, and please consider attending even if you did not participate in the hunt. The date and time of the meeting will be confirmed and sent to you by e-mail.

## A Message From Lorrie!

By Lorrie Sprigg,  
Activities Director

## "Auction"

Do I hear five dollars, how about six  
dollars,  
going once, twice, SOLD!!!

Okay folks it's time for our annual auction  
again.

I am asking for donations!

It's time to clean out the garage  
and house with all the stuff you wanted  
to take to Good Will but never had time.

**"We can use these"**

All I ask is NO gasoline power driven items  
like a LAWN MOWER, please.

## "BRING MONEY"

please bring singles it helps in the money  
exchange,  
bring lots of money, LOL!

*Again, I want to thank all who bring the  
goodies we share  
at each meeting. The volunteers this month  
are*

*Brent P, Lonnie L, Rob H, and Harriet  
Please bring cookies, cakes, or munchies.  
Alan and I will be bringing the sodas.  
Right Alan???*

**HALLOWEEN is upon us!**

**Start thinking about your costume  
No theme this time, just have fun  
Prizes will be given to each person who  
comes in costume for the October event!**

## CFMDC Nighttime Beach Hunt

Saturday, September 21, 2013

8:00 P.M.

Cost: \$5.00 per hunter

Sun Splash Park  
611 South Atlantic Blvd.  
Daytona Beach, FL 32771

### FYI:

This is a seeded nighttime hunt.

Any size coil is allowed.

No flashlights are allowed.

Headphones must be worn at all  
times.

Hunt baskets are a good idea.

Absolutely no pulse machines  
will be allowed. They create too  
much interference with the other  
detectors. Some examples are the  
Tesoro Sand Shark, Garrett Sea  
Hunter, and Whites Dual Field.

## KNOW YOUR COINS

### THE LINCOLN PENNY

First introduced in 1909

The current penny weighs 2.5 grams  
and is .75 inches in width.

In 1943 the pennies were composed  
of steel due to the need for copper  
in World War II.

The heads side was designed by  
Victor David Brenner.

The current reverse in use since  
2010 is the Union shield and was  
designed by Lyndall Bass.

From 1909-1942; 1944-1982 the  
penny was made of 95% copper.

Since 1982 they have been 97.5%  
zinc with 2.5% copper plating.
