### Note From the President:

WOW! It is already December and 2025 is almost over. Soon it will be Christmas. What a year it has been. We have a lot to discuss at the December meeting so please plan on attending.

The November hunt is planned on being at the school Daniel and Susan have in Edgewater just south of New Smyrna Beach. (address provided at the meeting) This is the annual hunt where we support the Ester House. To attend please bring some items to donate and I hear they are in need of things for women like shampoo, tooth paste, soap and feminine products. Please plan on being there and remember to hunt, you need to donate to this worthy cause.

I know that there were some recoveries this month and we would love to hear all about it so bring the recovery stories to share with everyone. It is something that we love hearing about and want you to share your story with the club members while at the meeting. Please let us know if you have found any lost items so we can recognize you at the meeting.

"Be there or be square" as Mr Fielding always says.

See you at the meeting!

Randy
